

This Code of Conduct defines the basic requirements placed on Schramms' suppliers and third party intermediaries concerning their responsibilities towards their stakeholders and the environment. The supplier and/or third party intermediary declares herewith:

Legal compliance:

- to comply with the laws of the applicable legal systems.

Prohibition of corruption and bribery

- to tolerate no form of and not to engage directly or indirectly in any form of corruption or bribery.

Fair competition, anti-trust laws and intellectual property rights

- to act in accordance with national and international competition laws;
- to respect the intellectual property rights of others.

Respect for the basic human rights of employees

- to promote equal opportunities for and treatment of its employees irrespective of skin color, race, nationality, social background, disabilities, sexual orientation, political or religious conviction, sex or age;
- to respect the personal dignity, privacy and rights of each individual;
- to refuse to employ or make anyone work against his will;
- to refuse to tolerate any unacceptable treatment of employees, such as mental cruelty, sexual harassment or discrimination;
- to prohibit behavior including gestures, language and physical contact, that is sexual, coercive, threatening, abusive or exploitative;
- to provide fair remuneration and to guarantee the applicable national statutory minimum wage;
- to comply with the maximum number of working hours laid down in the applicable laws;
- to recognize, as far as legally possible, the right of free association of employees and to neither favor nor discriminate against members of employee organizations or trade unions.

Prohibition of child labor

- to employ no workers under the age of 15 or, in those countries subject to the developing country exception of the ILO Convention 138, to employ no workers under the age of 14.

Health and safety of employees

- to take responsibility for the health and safety of its employees;
- to control hazards and take the best reasonably possible precautionary measures against accidents and occupational diseases;

Environmental protection

- to set up or use a reasonable environmental management system
- to act in accordance with the applicable statutory and international standards regarding environmental protection;
- to minimize environmental pollution and make continuous improvements in environmental protection;

Conflict minerals

- to take reasonable efforts to avoid in its products the use of raw materials which directly or indirectly finance armed groups who violate human rights

The supplier and/or third party intermediary declares also to take reasonable efforts to promote among its suppliers compliance with this Code of Conduct;
